

# Technology Tips

## Welcome

Every quarter, we will send helpful and educational tips in the technology field that will also be posted on our Weebly site.

1<sup>st</sup> Tip – Remember when connecting to Wi-Fi please be patient and know only so many devices can be connected to each access point.

2<sup>nd</sup> Tip – Please see website to learn how to calibrate pens for short throw projectors. (Smart Projectors)

3<sup>rd</sup> Tip – Reminder to submit tickets through School Dude for any technology concerns.

Tim Layer  
Technology Assistant

## Technology and Learning Website

Visit our new website for all things technology.

<http://medinahtech.weebly.com/>

## Quote

“Technology is the campfire around which we tell our stories.”

– Laurie Anderson

## Recent Updates

- Older iPad cases are being replaced
- Printing on Chromebooks is available for staff on the Konica printer

## Fresh Start

“Make your classroom wishes come true with [iPevo WishPool!](#) Check back monthly for new giveaways!”

Christine Akdeniz  
K-8 Technology Integration Coach

## Total (Sept)

Incident Count

Total for Complete

Grand Total 214

Total number of incidents

Requested for September

## Printing (Sept)

Incident Count

Total for Complete

Grand Total 18

Printing incidents was a

top request for September

and Chromebook incidents

was a top request for October
