3<sup>rd</sup> Tip –

Current Trends

<https://edtechmagazine.com/k12/higher/article/2018/01/4-k-12-ed-tech-trends-watch-2018>

Video

<https://www.edsurge.com/news/2018-04-23-five-easy-to-implement-ways-video-can-have-a-powerful-impact-on-teaching-and-learning>

4<sup>th</sup> Tip –

Reach out to your tech team if you'd like to add content for the weekly video announcements

5<sup>th</sup> Tip –

Make sure staff and students update your Chrome browser in your devices settings

Tim Layer  
Technology Assistant

## Quote

“Technology like art is a soaring exercise of the human imagination.”

– Daniel Bell

## Summer Updates

- Adding more RAM in desktops to increase multitasking
  - o <https://lifehacker.com/5415355/do-you-really-need-more-than-4gb-of-ram>
- Email is being migrated over to Office 365
- Internet connectivity will be updated
  - MIS transitioning 1:1
- We will do a cleaning and repair sweep

## Updates

10 ways Google tools can make the end of the year ROCK
